In re Patent No. 6,936,024 :
Issue Date: August 30, 2005 :
Application No. 09/632,519 :
Filed: August 4, 2004 :
Attorney Docket No. 120057-010204/US :

ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed May 24, 2010, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

This patent expired on August 30, 2009 for failure to pay the 3 ½ year maintenance fee. Since this petition was submitted within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), the petition was timely filed under the provisions of 37 CFR 1.378(c).

In submitting maintenance fees and any necessary surcharges, identification of the patents for which maintenance fees are being paid must include a patent number and an application number. See 37 CFR 1.366(c).

It is noted that petitioner was supplied the incorrect patent number on the present petition, however petitioner has identified the correct serial number as 09/632,519 as well as other identifiers. Since a mandatory identifier pursuant to § 1.366 accompanied the maintenance fee, the maintenance fee and surcharge will be accepted for this patent.

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

Telephone inquiries concerning this decision should be directed to undersigned at (571) 272-1642.
